

Call for PhD fellowships at the Department of Mathematics and Statistics, Masaryk University

The Department of Mathematics and Statistics at Masaryk University invites applications for fellowships for PhD studies, commencing during the academic year 2016/2017 at the date depending on mutual agreement.

The fellowships in the amount of 14 000 CZK per month are initially for two semesters with a possibility of extension, conditional on the student's performance. The candidates must hold a Master degree, or equivalent. They should submit a letter of application accompanied by a CV including their study history and a motivation letter to Martin Kolář ( [mkolar@math.muni.cz](mailto:mkolar@math.muni.cz) ) not later than October 30, 2016.

They should also arrange for at least 2 letters of recommendation to be mailed directly to [mko  
lar@math.muni.cz](mailto:mko<br/>lar@math.muni.cz) before October 30, 2016. The successful applicants will be notified as soon as possible but not later than December 15, 2016.
