

The Department of Mathematics and Statistics at Masaryk University invites applications for fellowships for PhD studies, commencing during the academic year 2017/2018 at the date depending on mutual agreement.

The candidates must hold a Master degree in Mathematics, Statistics, or equivalent. They should submit a letter of application accompanied by a CV including their study history and a motivation letter to Martin Kolář (mkolar@math.muni.cz) not later than April 20, 2017.

They should also arrange for at least 2 letters of recommendation to be mailed directly to mkolar@math.muni.cz before April 20, 2017. The successful applicants will be notified as soon as possible but not later than May 30, 2017.
