

Extreme hike! You are cordially invited to our 9th mathematical hike which takes place on **July 22nd**.

**Meet at the bus stop "Přízřenice, smyčka" (bus number N94) at 6am.**

Beware, for this hike is of a tough nature, as we plan a **63.74 km hike (with possibility to give up after 32.23 km)**, direction south (we choose not to be more precise), return to Brno by train.

Have a great summer,

Jana Bartoňová and Jonatan Kolegar, organizers

Jan Slovák, Director of the Department of Mathematics and Statistics
