

Dear friends of hikes and mathematics,

you are cordially invited to the 45th mathematical hike planned **on Saturday Saturday, April 13. Meet at 9:30 in front of St. Barbara's Church in Adamov**

.

We recommend arriving at the meeting place by train, which leaves at 9:00 a.m. from the Brno Main station and at 9:05 from Židenice (zones 100 + 2 outside Brno). Also, there are plenty of parking spaces in the area.

Planned route (length 25 km  $\pm$  delta, elevation 1100 m  $\pm$  epsilon) goes largely on less frequented roads and will lead us back to the train stop in Adamov. There are many places to disconnect from the route, with frequent connections to Brno.

Recommended equipment: headlamp.

Not recommended equipment: that you don't want to get dirty (some paths are not maintained).

Looking forward to see you,

Pavel Francírek and Jonatan Kolegar, organizers

If you have questions, send them to [francirek@math.muni.cz](mailto:francirek@math.muni.cz).
