

Dear Friends of Mathematics and Hikes,

You are cordially invited to a 3rd mathematical hike! The hike will take place on **November 26th**

. Start at

**09:34 at the bus stop "Útěchov, rozc.**

"

We have planned a 19 km hike from Útěchov to Obřany.

A more detailed description: Following the woods around Ořešín take the red road to Soběšice and visit local lookout tower. Then go to Obřany using the yellow path. There is also a possibility to end the hike after 14 km in Soběšice.

You can find photos from previous hikes [here](#).

We look forward to seeing you.
