

Dear Friends of Mathematics,

You are cordially invited to our 8th mathematical hike! The hike will take place on **June 24th. Start at 09:34 at the bus stop "Útěchov". (terminus of bus 57)**

We have planned a 15 km hike from Útěchov to Adamov, then through the valley to Býčí skála, and back to Adamov visiting "Alexandrova rozhledna", a lookout tower. There are two possibilities for the return to the city centre: by train from Adamov or by bus from Útěchov (3 km more).

Furthermore, let it be known well to thee, that there will be one more mathematical hike during summer season!

We look forward to seeing you.

Jana Bartoňová and Jonatan Kolegar, organizers,
