Dear Friends of Mathematics,

You are cordially invited to the 11th mathematical hike. It will take place on **November 25th 2017**.

Start at **09:05** at the **bus stop "Jedovnice, náměstí"**. You can join us going by **bus 201** from the **bus stop "Stará osada"** (departure at **08:15**, zones 100+101+ 3 additional).

We have planned a hike of 21 - 26 km, leaving Jedovnice following the red path past "Bílá skála", then through Ruprechtov to Vyškov. There are more possible endings of the hike: at the railway station in Vyškov (26 km) or at one of bus stops at the pherifery of Vyškov (21 km+) - the right place to end will be chosen depending on time and wishes of participants.

We look forward to seeing you.
