

Dear Friends of Hikes and Mathematics,

You are cordially invited to the 21st mathematical hike. It will take place on **February 23rd**.

Start at **08:07 at the tram stop "Kamenolom"**.

We plan a 13 km hike - go over the hills in the north part of Brno and then go to Bystrc. You can modify the path to finish at the starting point. We expect the hike to end fairly early. Both the start and the end are planned in the zone 101 of Brno public transport.

Have a nice start of the semester, we're looking forward to seeing you,

Jonatan Kolegar a Jana Bartoňová, organizers,
Jan Slovák, Director of the Department of Mathematics and Statistics
