

Dear Friends of Hikes and Mathematics,

You are cordially invited to the 22nd mathematical hike. It will take place on **April 27th**.

Start at **08:31 at the train stop Hradčany (near Tišnov)**.

We plan a nice april hike no matter the weather. It's about 19.2 km long. We will go south following a blue path to Veverská Bítýška (you can end the hike there (it is 8 km), if you prefer so), then continue through the hill Trnůvka to Bystrc (probably to tram stop Přístaviště).

Looking forward to seeing you there,

Jonatan Kolegar a Jana Bartoňová, organizers,
Jan Slovák, Director of the Department of Mathematics and Statistics
