

The next Assembly of the department will take place on **May 22, at 4pm at the lecture room M1.** In accordance with our sub-laws, the Assembly will be chaired by David Kruml, one of our representatives in the Senate.

I am suggesting the following programme:

1. Brief information on the numbers of students applying for Bc. and Mgr. programmes (Jan Paseka)
2. Brief information on the result of the accreditation of our doctoral programme and further proceedings (Martin Kolář)
3. Report on the development of the department in the in the past four years and the future plans (Jan Slovák)
4. Other issues

I am looking forward to meeting at the Assembly,

Jan Slovák
