

Dear Friends of Hikes and Mathematics,

you are invited to our 30th mathematical hike planned on **June 13th. Meet at 9:31 at the tram stop "Ečerova"**.

We have planned a 15 km hike through a forest to Žebětín, visiting a lookout tower "Chvalovka" with a view of a city district Bystrc.

All information and photos can be found at <http://conference.math.muni.cz/vylety/> . (in CZ)

Have a successful exam period, we look forward to you joining us.
