

Dear Friends of Hikes and Mathematics,

The 34th mathematical hike is planned on the **11th of December. Start at 9:33 at the "Kamenolom" stop. (49.2218894N, 16.5368919E)**

The hike is about 15 km long, we will go through the "Podkomorský" forest to the dam. We invite you also to the traditional mathematical carol-singing. (lyrics in czech, though)

Consider your attendance accordingly with the covid situation. The government does not restrict organizing hikes.

All information and photos can be found at <https://conference.math.muni.cz/vylety/> . (in CZ)

Looking forward to see you.

Jana Bartoňová and Jonatan Kolegar, organizers
