

Dear Friends of Hikes and Mathematics,

The 36th mathematical hike is planned on the **21st of May**.

We meet at 09:34 at the train station in Dolní Loučky. We recommend going by the train that leaves Brno main train station at 8:53.

We have planned a 16 km hike to Tišnov (train station) through Deblín.

All information and photos can be found at <https://conference.math.muni.cz/vylety/> . (in CZ)

Looking forward to see you soon and have a wonderful spring season,

Jana Bartoňová and Jonatan Kolegar, organizers

Jan Slovák, Director of the Department of Mathematics and Statistics
