

Dear Friends of Hikes and Mathematics,

you are cordially invited to the 39th mathematical hike planned on **Saturday 17th of December. Start at 9:37 at the "Kořískova" tram stop**

The hike is about 10 km long, we will go through forests near Brno towards Obřany. We invite you also to our traditional mathematical carol-singing. (lyrics in czech, though)

All information and photos can be found at <https://conference.math.muni.cz/vylety/index.php?id=kronika> . (in CZ)

Looking forward to see you soon!

Pavel Francírek and Jonatan Kolegar, organizers  
Jan Slovák, Director of the Department of Mathematics and Statistics
