

Dear friends of hikes and mathematics,

you are cordially invited to the extreme hike! The 42nd mathematical hike is planned on the **5th of August 2023. Meet at 06:52 in Kunštát (49.5072800N, 16.5186928E).**

The goal is a 42 km walk ending in 101 zone. This hike favours shorter option of 21 km.

Evaluate your strength and join us.

Looking forward to see you.

Nice summer to all,

Pavel Francírek and Jonatan Kolegar, organizers

Jan Slovák, Director of the Department of Mathematics and Statistics
